Application Deadline
June 18/16

We believe that an educated community makes a strong community. Our scholarship program helps hundreds of Kalamazoo area students gain access to the skills, support, and money they need to take advantage of educational opportunities.

Who we're looking for

We are looking for a self-starter with top notch customer service skills to coordinate the activities related to our scholarship program. This position works closely with students, parents, high school administrators, and our scholarship donors. It is your opportunity to have a direct impact on the lives of Kalamazoo area students. We need someone who can be responsible for:

Scholarship Application: Oversees and facilitates the scholarship application process from receipt of the application through the payment of scholarship awards.

Data Maintenance and Information Technology: Creates and maintains all scholarship data with an emphasis on a paper-less office environment and an eye towards identifying and implementing technology improvements.

Community and School Outreach: Promotes scholarship programs with high school counselors, students and families through a variety of methods including presentations.

Scholarship Advisory Committees: Coordinates scholarship advisory committees. Prepares timely, customized, accurate and complete applicant information, and materials to all advisory committees.

Marketing and Communications: Coordinates annual marketing plan for scholarships including millennial marketing strategies.
